WORK EXPERIENCE

- **Microsoft Engage'21**
Worked on building a clone of Microsoft Teams with functionalities like video conferencing, event scheduling, chat, and collaborative whiteboard.
- **Mentor at The Uplift Project '21**
Mentored peers in the domain of Competitive Coding (taught over 30 peers).
- **Alpha Microsoft Student Learn Ambassador**
As a Learn Student Ambassador, I organize campus or community hackathons and mentor other students by taking workshops and sessions.
- **Department Head at Literary Umbrella**
As a core team member & head of the creative writing department, I help my peers in improving their writing skills by taking up various workshops and sessions.
- **3* coder at CodeChef, 4* coder at Hackerrank (Problem Solving)**
- **Flipkart Grid 3.0 Finalist (Information Security Track)**

PROJECTS

- **EngagedForChange:** Made a social volunteering website to solve real-life problems faced by people due to COVID'19 along with my teammates.
- **Omega:** The ultimate MS TEAMS CLONE. This is a fully functional Real-Time Video Calling Web Application where participants can connect with each other and have video and audio conversations incorporated with firebase authentication, whiteboard, and Voice to Text feature.
